APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of the waters of Three Tunnels as heretofore granted under Certificate No. 427, Permit No. 3475, is issued with the understanding that no other rights on the source will be affected by the change proposed herein. It is further understood that accurate measurements of the water placed to beneficial use will be included in the proof of such use when filed. The State reserves the right to regulate the use of water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 0.12 c.f.s.

Actual construction work shall begin on or before October 1, 1934. Proof of Commencement of work shall be filed before November 1, 1934.

Work must be prosecuted with reasonable diligence and be completed on or before October 1, 1936. Proof of completion of work shall be filed before November 1, 1936.

Application of water to beneficial use shall be made on or before October 1, 1937. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 1, 1937.

WITNESS MY HAND AND SEAL this 27th day of April, 1934.

Proof of completion of work filed DEC 14 1936

Proof of Beneficial use filed AUG 11 1938

Certificate No. 2423 Issued Jan. 31, 1939
